Dinner Social:

- Janice Witteried suggested we have dinner socials. In the Sacramento Valley Region they had a dinner social every month at different locations. It was fun because you got to try different places every month.
- Socials on Monday and Tuesday nights at 6:00.
- At last meeting quarterly dinners was a popular idea.
- Suggestion was made to have new members pick a place.

Installation Dinner (chair?): Possible location John Quick's or Lori DeCristo's.
