Air & Water

by Rich Paré— President

As I write this, we have just completed our "Claim Jumper Tour." I would categorize it as a success, we had 25 people there and lots of "doggy

bags" left the restaurant! Red was the predominant car color as four of the seven Porsches were Guard's Red, three were '89 944s, one was a Boxster. Also on hand were a 914 and two 911s. Somehow, the subject of Corvettes came up in the after lunch parking lot session, and comments were made such as, "why don't people who own Corvettes ever *drive* them?" Find one on the freeway, and frequently it is being driven equal to or less than the speed limit. I am not condoning speeding, but everyone goes a few miles over! Another comment was "if a gathering of 'Vettes was in a parking lot, they'd all look alike." With Porsches, there are so many different variations of them, normally most would be different. OK, enough about those cars.

By the time you get this, it will almost be time for our annual Holiday Party. Please consider attending, it promises to be a very good gathering of friends. Remember, PCA is all about the people. The car just happens to be a reason for the people to gather. If you have anything you would like to donate as a door prize, please let Mary Ann or myself know. Remember though, you might win it back! The party will again be held at the Greenhouse Café, this time in the Banquet Room so we will have plenty of room. R.S.V.P.s should have been

sent by now, but if you decide to come, let us know soonest so we can let the Greenhouse know.

My sisters were here visiting from Connecticut in October. Lucille, my eldest sister, told her grandchildren she was having such a good time she just might not go back home. A word to all who consider themselves wise... be careful what you wish for. After a delightful week full of tours to the Tehachapi loop, the wind farms (that was great, highly recommended), the Getty Museum, the Ventura beach and pier,

Member Porsches lined up outside the restaurant. Photo by David Witteried.

and finally capped off with the air show at Edwards AFB, Sunday was the day to leave. Remember the "be careful" warning up above? After taking the long way to Ontario airport (Hwy 14/I-5/I-210/I-10), the smoke took your breath away. The control tower had been evacuated, and NOTHING was

leaving any of the SoCal airports. As it turned out, their flight was rebooked out of Las Vegas the next day. Since there was no guarantee anything would fly out even

on Monday, we drove them to Las Vegas and spent the night there. (I really didn't want to go work on Monday anyway!) We all had a wonderful visit. It's difficult to have family so far away.

This month, I will not ramble on so long. Just a reminder, come to the Holiday Party. Until next time, keep the shiny side up. 🚗

Watercooled Thoughts

by Paul Turner — Vice President

Howdy All!

Another month has gone by and we finished up our last driving event by going to Valencia and enjoying some great

company and great food at the Claim Jumper restaurant. I have to say that it is a very nice area down there in Valencia, Lynn and Joni sure picked a nice place to live. My wife fell in love with the place because all of her favorite stores are there for her to shop at. I know a great time was had by all. By the way Greg, did Robin recover from your driving display on the way there?

This will be my last year as your VP, as next year I will be taking over as your Events Coordinator. I always try to make up a variety of events for us to do throughout the year, but if you have any suggestions, please let me know and I will get it on the schedule. I really need your input on this, I want to make this clubs events more fun for you, so let me know how I can accomplish this for you.

Well, I guess that is all for me this month, DRIVE FAST! 🚗

Membership Report

by Greg Reed — Membership

November Membership Report
Hello fellow Cal Inland Region members.
For the beginning of November, we had two

non-renewals and one member transfer out of our region.

We are now at 42 members officially. Our recruiting efforts are ongoing. We had three prospects that Mark Charus met this month and another interested person that we met en-route to our driving event to Claim Jumper restaurant. All four folks received a hard copy application this month. Remember to flag down the nearest Porsche driver and tell them about our fun organization. I have plenty of hard copy applications and on-line registration is also available. Please remember to renew early so you keep on Headquarters radar and don't miss an issue of Panorama.

We have no membership anniversaries for the month of November. 🚗

From the Zone Rep

by Mike Mansolino —Zone 8 Representative

Each year Zone 8 members and friends gather to pay tribute to those who have performed with distinction in Autocross, Concours, Rally, and Time Trial, at a gala Year-End Awards Banquet. This year's ban-

quet will be held at the DoubleTree Hotel in Anaheim, on January 17, 2004.

The evening's festivities begin at 6:00 with cocktails, followed by a dinner offering a tantalizing selection of entrees at 7:00. There are also awards for outstanding competitive performance, Enthusiast and Region of the Year, Sam Wang Award, great door prizes and fantastic silent auction items, and the opportunity to enjoy the friendship of the best people to be found anywhere. Jack Bair, PCNA Porsche Club Consultant, and Terry Wells, PCNA District Parts Manager, will join Donald Bond, PCA Newsletter Chair, to share this special evening.

A block of rooms at the reduced rate of \$89 has been reserved for Porsche Club members – some reserved for Friday and Sunday. Reserved Porsche parking will also be available. An added bonus for those wishing to stay the night is the opportunity to visit Disneyland and Knott's a couple of miles down the road, Old Town Orange if you enjoy turn of the century architecture and antique shops, and three large malls – one in easy walking distance from the hotel. Visiting one of these destinations could be a pleasant way to spend the afternoon if your spouse is attending one of the zone meetings.

This event is for all Zone 8 members and is not an exclusive party for award winners. I encourage you to mark this date on your calendar and join us as we close 2003 and anticipate the 2004 series of events. Check the Banquet flier for specific reservation details, but make your reservations early so you don't miss this exciting evening. Call DoubleTree reservations at 714.634.4500 between 8-4:30 for the special rate.

Join us and enjoy a special evening with friends and fellow competitors, dinner, awards, and prizes. Discover why Zone 8 is great! 🚗

From the Editor's Bench

by David Witteried — Winding Roads Editor

The election results are in! Our three incumbents have been reelected for to their positions unanimously. Rich Paré will be our president

in 2004, John Crnkovich (a newcomer to the board) will be our Vice-President, Mark Charus continues as the Secretary while Mary Ann Paré continues to be our Treasurer. Congratulations to the new Board of Directors!

I missed the October event which was supposed to have been a Photo Rally. Unfortunately, there was an accident at the photo developer and all of

the pictures got lost. This led to Paul Turner, our hard-working event chairman, to cancel the event. He subsequently came up with another idea which involved giving the participants destinations to go to with the winner being determined by the team who had accumulated the least mileage. I understand that everybody had a lot of fun even though the turnout was light.

I would like to welcome our newest advertiser Mr. Paul Glessner who presents a seminar on vehicle aerodynamics. Paul lives in the local area and works at Edwards Air Force Base, he is also in the market for a 928 so if you know of a nice one let him know. Visit his web site for more information (see business card on page 4).

I hope you have enjoyed the newsletter this year...I look forward to delivering 12 fun issues next year! See you on the road. 🏠
